

Burger Monday Picnic Menu

Available ONLY Mondays from 11:00am -7:00pm

All our burgers are created with a half steak, half chuck meat combination. We season and marinate the meat overnight and then freshly grind our burgers every Monday morning! We bake our own buns every Monday to ensure that you are getting a fresh and delicious product every time. Since our product is so fresh, we like to cook our burgers one way which means you may see some flecks of pink inside your patty. However, if you would prefer you can also order your burger rare or well-done.
